

ENVIRONMENTAL POLICY

The Gosford Golf Club operates, manages and maintains an 18 hole golf course and club house facility for the enjoyment of members and guests.

Situated on 16 hectares of wetland flats bordering on the tidal Narara creek.

Our club's policy is to:

- Incorporate environmental responsibilities and accountabilities into every aspect of our operations.***
- Ensure all staff and contractors are aware of this Policy.***
- Establish and maintain an environmental management system designed to meet or go beyond regulatory requirements. We will also encourage our contractors and suppliers to achieve our standards.***
- Maintain monitoring and reporting systems to audit and report on our environmental performance by promoting continual improvement to achieve our environmental objectives and targets.***
- Communicate with our community and interested parties on our environmental performance.***
- Provide our staff with environmental educational and training programs to ensure their commitment to environmental responsibility.***
- Identify opportunities to prevent pollution, minimise waste, save energy and conserve natural resources.***
- Annually review this Policy.***

The Club's senior management and all staff are responsible for ensuring this Policy is implemented.
